

# LUNCH OPTIONS

## ENHANCING THE DOWNTOWN EXPERIENCE

### **Option 1) On the Bus**

Many schools bring their school lunch and leave them on the busses. They will have their lunch on the bus on their way back to school after the performance.

### **Option 2) Lynn Wyatt Square**

If you have extra time, Lynn Wyatt Square—just across the street from the Alley—is a great spot for an outdoor lunch.

- We can hold your lunches in the lobby during the show for easy pickup as you exit.
- You must coordinate this option prior to your scheduled performance. We will only hold lunches that have been previously coordinated.
- The theatre cannot accept lunch or other food or beverage delivery unless you have a post-show Student Matinee Experience.
- Please note: eating is not allowed during intermission.

### **Option 3) Downtown Eateries**

Downtown has plenty of great locations for students/school groups to purchase food.

- **Tunnel Area:** Chick-fil-A, Treebeards, Otto's Barbeque, Starbucks, Michael's Cookie Jar, Salata, Uncle Sharkii Poke Bar, Which Wich
- **Nearby Eateries:** Birraporretti's, Lyric Market, Chipotle, Lone Star Taco, The POST (food hall), Underground Hall

### **Option 4) Reserved Lunch Space at the Alley**

You've added a backstage tour or post-show workshop. Our team has reserved a space for your students to have a 30-minute lunch prior to the start of your Student Matinee Experience. You can either bring lunches or can have food and beverages delivered to the Alley. Please coordinate your plans with our team.
